

Kirkwood Presbyterian Center for Early Learning will be hosting a summer camp starting June 2nd. Each week we will have a different theme, and will provide learning activities, games, and fun projects during our camps. We will include science, math, and reading lessons in our curriculum but make them fun. Our VPK graduates will be working on more kindergarten readiness skills while our other students will be gaining skills for the coming year. Summer camp students do not have to be currently enrolled in Kirkwood to sign up so please tell your neighbors and friends! We will accept children ages 2-6. The themes and cost for the summer camp will be as follows:

**Summer Camp Themes**

**Student Name** \_\_\_\_\_

Mark Weeks attending/days per week
